* The letters **c** and **g** are pronounced differently, depending on the vowel that follows. A **c** followed by **a**, **o**, or **u** would be pronounced "k." A **c** followed by an **i** or **e** is pronounced like "s." Similarly, a **g** followed by an **a**, **o**, or **u** would be pronounced like the **g** in "goat." A **g** followed by an **i** or **e** is pronounced like the **h** in "hill."

** The letter combinations **ch** and **ll** are traditionally considered unique letters in the Spanish alphabet.

*** The letter combination **rr** is not always considered a separate letter, but it is a unique sound in Spanish.
